

Class Listing

This is a participant judging event, each entry gets one voting ballot.

Instead of trying to categorize and verify every vehicle in 30-40 individual classes, we will be offering ballots that simply say "Favorite Scout II; Favorite Early Truck; Favorite Paint; Most Original Restored"

There will still be a "class for everyone". That's how we started and that's how we will proceed. Our goal is not to stack the deck in favor of "show restored" vehicles so they walk away with every trophy.

Complete listing of awards is attached inside.

Directions to the Show

19th Annual Sunflower IH Show

**August 11, 2018
Halstead, KS**

19th Annual Sunflower IH Show

The 2017 show was a good one with several new vehicles on display. At least half of the vehicles were new or haven't been to the show in several years. Lots of good stuff to look at.

Best of show was won by a very nice white and yellow pickup that drove in all the way from Iowa. It was nice to see one that isn't scared to put some miles under the tires.
